Steve and I have both loved our stay at Rainbows end. While here we have fit quite a lot in we landed in Florida on 22nd October and drove to Clearwater to spend 5 nights at the Sea Captain resort, if you get chance I recommend it with all my heart. We then drove to Miami and stayed 2 nights (don't like it) busy dirty city yuck. While there though we did airboat ride through Everglades (AWESOME). We have fit quite a lot into our month here Miceys not so scary Halloween Party (very dissapointed this time) Mickey Christmas Party (AMAZING) best fireworks I have ever seen and I have been to Disney 15 years and counting. Ice bar at international drive worked out quite expensive booking online our trip go Wednesday before 9pm ladies free men 1/2 price.
