We have had a fantastic holiday here at Rainbows End. You have a lovely villa - very homely and welcoming. Pool is fab!

The weather has been very good, unusually high temperatures for the time of year, making our holiday even better given that it snowed back home!

Good places to eat! -

Texas Roadhouse - best steaks

Chuy's - great tasting and good value Mexican

Bonafish Grill - More expensive, but worth the extra

Would avoid Longhorn Steakhouse. OK but only average. Universal Food is also hit and miss (and expensive).

Sad to be going home to the cold, but have some lovely memories of our holiday here.
