Thank you so much for the use of your villa. We loved the neighborhood as it is so peaceful. The kids loved the light show in the pool at night + the hot tub. I also really like the cupboard in the garage to leave things for the next guests. While here we went to Busch Gardens, Epcot, FunSpot, + the Gatorade Duels @ Daytona Speedway. The weather was in the 80's the whole time we were here!

I would highly recommend Miller's Orlando Ale house restaurant on 192 (across from Target) + Dioronio's Italian restaurant. (We ordered in from Dioronio's + had it delivered - it took 1 1/2 hours - but it was good).

If we come back to Florida we will definitely come back here. We will also recommend you to our friends! We hate to leave - especially the pool!

Thanks again for having everything here we could possibly need!
