A great villa in a great location - loads of Geocaches nearby - (if you don't know what Geocaching is, it's like a treasure hunt!) - log on to

[www.geocaching.com](http://www.geocaching.com) and register for free - tell them foey2120 told you about it and add me as a friend - it's fun for all the family.

loved the pool and the lights + the cranes became regular visitors once they realised there was food available!!!

Thanks for everything.
