Just a quick note to let you know that the house was great. Everything we needed was here. Kids loved the pool. The house was very clean when we arrived. We've been very busy since we arrived here but it's been fantastic.

Thanks Again.

We had a ~~lovely~~ ^{lovely} time here.

The villa is very homely and we enjoyed swimming in the pool every day. We had amazing weather every day!!!

There was so much to do and see in the area but my favourite thing was Universal Studios and Gatorland.

Thanks
