

Sept 17th → Oct 3rd.

Gillian + Iain. Thankyou once again for letting us stay in your lovely villa (we came 31st April → 28th May!!)
We don't want to go back to UK.

We bought my Mum for her 80th birthday. Thankyou for the birthday card - it was a lovely thought.
We were lucky enough to go to Grest on the day they celebrated 30th Anniversary of its opening and the firework display was fantastic/amazing.
They added an extra display to the usual great one.
We hope to come again sometime.

Take care + be happy.

Jan, Allan

+ Delma (Octogenarian!)

Brit tip from Allan - DO NOT BRING YOUR MOTHER IN LAW HERE!!!

6th → 21st Oct

We had another wonderful holiday staying at your villa again. Weather was great, loved the pool and floats. Did so much again this time, it was Chloe's Birthday while we were here so to do something special we ate at Cinderella's castle it was amazing you meet Cinderella on the way in and get a photo taken, during your meal 4 of the princesses come round to see you. Can't wait to come back.
