

8<sup>th</sup> Dec 2012 - 19<sup>th</sup> Jan 2013

Well its been a very busy time at our villa this time. Probably our most expensive as well since we spent over \$10,000 having a new kitchen fitted, having all interior painted, we carpeted the garage and bought a new pool table plus we bought a new dining table and chairs and then we cleaned the carpets!

We would like to thank all our guests, past present and future for choosing our villa for their holiday / vacation - we really appreciate the fact you picked ours ☺

We can highly recommend Millers Ale House for eating and drinking - it has been our favourite this time. The beer and wine was very cheap (we didn't drink any but noticed it was reasonable) tea and coffee was just 99c and was refillable. The portions are huge and we can tell you we ate the 'Zingers' with medium garlic sauce quite a few times!

The weather has been wonderful - in the 80's every day apart from a couple of cold days so we have been very lucky.

We have finally got the wi-fi fixed properly so it is not 'cutting out' when using it anymore. We are already saving for the next visit when we will change the Queen bed to a King one plus many other jobs as usual

Hope everyone enjoys themselves at 'Rainbows End'
