

January 19 - March 24th, 2013

This is the second year we have stayed
at 'Rainbow's End' for Feb + March.

We love this villa & its location. It is
quiet and away from the hustle & bustle of LA
but a short drive to many attractions.

We have enjoyed the upgrades this year -
esp the kitchen & WiFi. Your home is
very comfortable with a lot of extras.

We are heading back to 'cold' Canada
tomorrow & will certainly miss the
sunshine state!

Thankyou, Gillian & Ian!
