

August 1st - August 15th 2013.

We have been travelling around the states, and chose Rainbows End for our two weeks in 'the land of mouse' nearly two years ago! We spent ages looking through the website while we all got excited!

Thank you for sharing this lovely villa with us, it was simply wonderful to 'pop back' mid afternoon for a quick swim to get out of the bustling parks, and simply wonderful to relax in the spa in the evening after watching the park's nighttime shows.

If we ever come to florida again (which I hope we do!) we would definatley think about staying at Rainbow's End again.
