

August 16th - 30th 2013

Our son spotted your villa on the internet, and it was exactly as described and very special.

Thank you for providing so much for children, my boys loved the game consoles and the variety of TV channels and having wifi was great. (ever UK soccer!).

We enjoyed the wildlife - frogs, lizards, many birds and the noisy cicadas.

Thank you and good luck in the future

The Bedwards from Buckinghamshire, UK.
