Our second visit to this lovely villa - our first was in 2007.

As we had since had another grandchild we thought we would come again to even things up.

It's such a lovely villa and the pool is amazing. We went on the Disney Cruise this time and what a great experience.

Ate out a couple of times at the Santa Fe Restaurant at the end of Woodcrest Way and would certainly recommend.

Will chat to Jain soon when he comes to service our alarm!

Thoroughly enjoyed our first visit to this "home from home" villa. Only here for a week but we have managed to see and do a lot whilst still having quality time here.

Managed to catch fish and not an alligator. Hope you and your lovely family enjoy a well earned rest. Special mention to Kelly love "The Trumpson family. Australia
