Gillian and Iain,

This was our first visit to your beautiful villa. We have previously stayed in Disney hotels, but this villa surpassed all previous experiences by miles! If we return to Orlando, our hope would be to stay in Rainbows End, as our stay has been exceptional. Your villa with all the homely touches made it all so magical! Our children thoroughly enjoyed the spacious bedrooms, their own TV/DVD, wifi, extensive DVD collection and especially the glorious pool with its disco lights. The boys enjoyed the pool table after a long, hard day around Disney. We will certainly recommend Rainbows End to all our friends and family back home in Ireland.

Go raibh maith agat,

Iain and Gillian,

We had a wonderful stay here in Rainbows End - we were even fortunate to see a rainbow whilst swimming in your lovely pool!

This was our first time staying in this splendid villa and we hope to return soon!

All of the little extra touches were really appreciated and made the villa seem more like home. My parents and I, thoroughly enjoyed using the swimming pool and pool table immensely!

We visited most of the theme parks during our stay here. I won some soft toys on the basket-ball games e.t.c. so I've decided to leave them
